

ONLINE BANKING SET UP INSTRUCTIONS

Go to www.henrystatebank.com

Click on **Login** on the home page.

Click **First Time Login** to set up online banking.

List your **account number, account type, and last 4 digits of your Social Security number.**

Choose an **Access ID** and a **Password**; please note the password is case sensitive and must be 8-17 characters made up of letters, numbers and special characters. Please be sure to keep these in a place you can remember for reference.

Confirm your information and Submit.

Set Security data: list email address and confirm it.

Choose a **Security Question** and **Answer** (3 of them total) and then Submit.

Review the Online Banking Agreement, then click **Accept**.

Accept or Decline the Mobile banking and E-Statements offer.

You should be ready to view your accounts and explore all of the options we have to offer, including our **Henry State Bank mobile app** that is available for downloading.

Please call 309-364-2302 with any questions.
